## ■ SITUATIONISTISCHE INTERNATIONALE

You are in agreement with the S.I.!

You want to join the S.I.!

We only ask of you a little preliminary work, to verify objectively (in your own interest as well as ours) how near you come to our problems, and your ability to play a full role in our undertaking (the S.I. does not want mere disciples):

- Choose for yourself a point which you consider important, in the theses published by the S.I., and develop several arguments and possible expansions of thus theses (a minimum of one page of typescript — we impose no maximum).

- Choose for yourself, in the same texts published by the S.I., a point which can be criticized, and destroy this position (the conditions are the same).

N.B. — This is not a meaningless game. The S.I. proceeds like this very often, to reexamine and advance on its own basic ideas. Perhaps you will chance on a point already criticized. But you might also start a correct criticism from a position insufficiently raised by us to now. Your criticism, therefore, if it is well done, will be well argued in any case; and perhaps even will be useful as putting forward something new!

**Situationist International:** Situationistisch / Situationist: All das,

was sich auf die Theorie oder auf die praktische Tätigkeit von Situationen bezieht. Derjenige, der sich damit beschäftigt, Situationen zu konstruieren. Mitglied der situationistischen Internationale.

Situationismus: Sinnloses Wort, missbräuchlich durch Ableitung des vorigen gebildet. Einen Situationismus gibt es nicht — was eine Doktrin zur Interpretation der vorhandenen Tatsachen bedeuten würde. Selbstverständlich haben sich die Anti-Situationisten den Begriff „Situationismus“ ausgedacht.
